Customer must purchase a new Worry Free Warranty on exchanged products. All exchanges are for the original value of the warranted product - with the exception of those under inflation protection. Customers are responsible for all charges above the original purchase price - this includes delivery, installation, and disposal fees. *48 hour refrigerator service excludes - San Juan Islands, Point Roberts, areas South of Arlington & Oak Harbor, holidays and weekends. *Loaner refrigerators are not available on the San Juan Islands.

We got you covered.

We service what we sell

Why should I get appliance protection?

Most manufacturer warranties only last 1-year and offer limited coverage.

The average appliance repair cost is over \$250!

Modern appliances can be extremely complex to repair.

We offer **Complete Coverage** for up to 5-years - including things that the manufacturer doesn't cover.

Parts and labor costs add up quickly. Our 5-year protection plans less than \$5 per month!

With advances in technology and manufacturing, repairs should be addressed by certified technicians.
